Welcome to Birch Forest Lodge! After many vacations of our own on beautiful Pelican Lake, our dream has come true. We can now be part of helping you make

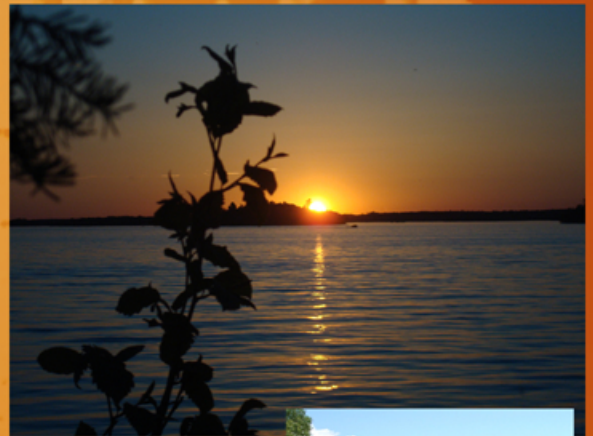

wonderful family memories to treasure for years to come.

We offer 11 exceptionally clean cabins nestled on over 1000 feet of amazing lakeshore. Many of our cabins are newly remodeled, complete with all the comforts of home, including a new 3 bedroom handicap-accessible cabin. We have a fantastic swimming beach with volleyball and a new Rainbow Playground, water toys, and spectacular sunsets. All that and great fishing too!

We look forward to being of service to you and hope to share with you all the things that make Birch Forest Lodge, Pelican Lake, and Orr Minnesota an unforgettable vacation experience.

If you have any additional questions please feel free to call us at 218-757-3479 or email us at, [info@birchforestlodge.com](mailto:info@birchforestlodge.com).
